

LID & HORIZONTAL SHELF

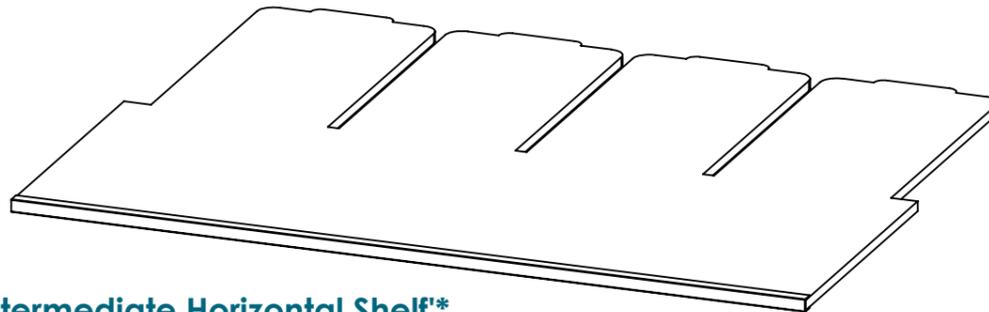

SLEEVE

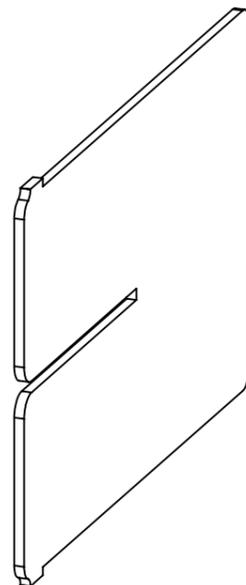

Some 'Sleeves' may come in 2 halves with a 'Jig-Saw' join

INTERMEDIATE HORIZONTAL SHELF

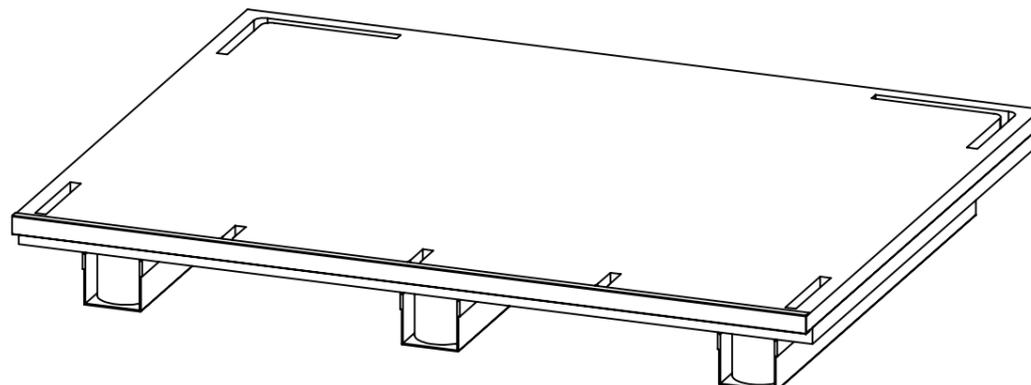

*Some units may not contain 'Intermediate Horizontal Shelf'

DIVIDER

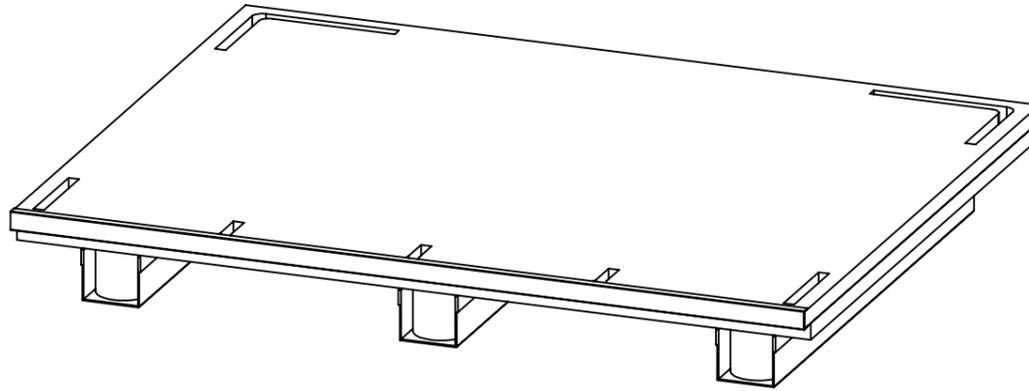

BASE

A 'Shelf' unit will not contain the bottom board and 'Pallet Runners' (Feet)

'Pallet Runners' (Feet) may differ from the ones illustrated

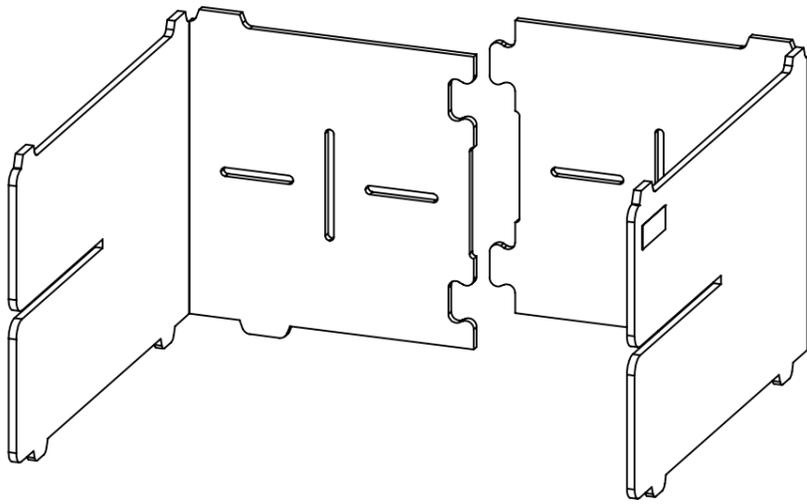

1.

HELPFUL TIPS:
Have the PALLITE[®] label on top

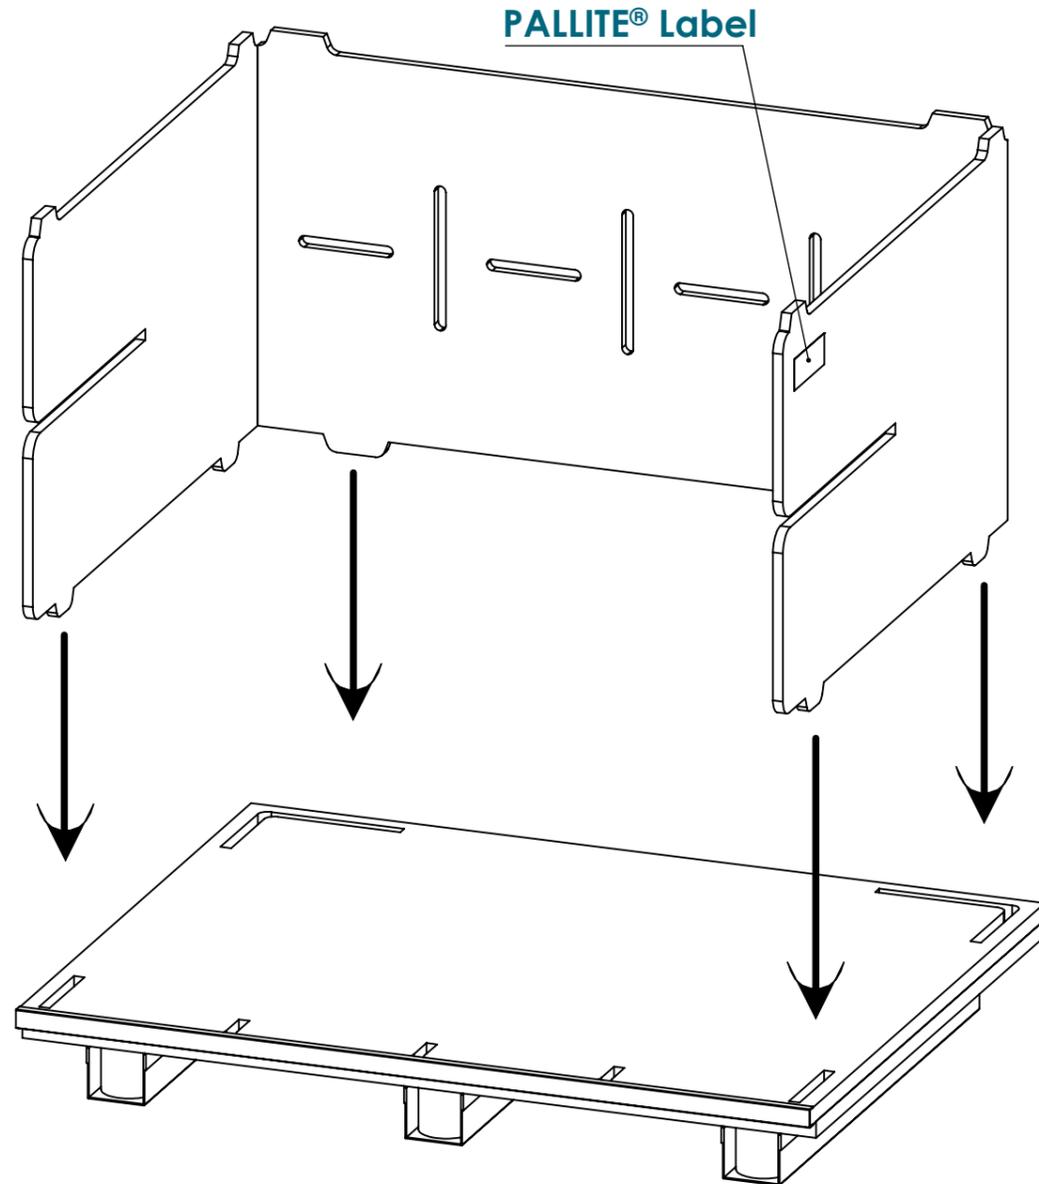

2.

Some 'Sleeves' may come in 2 halves.

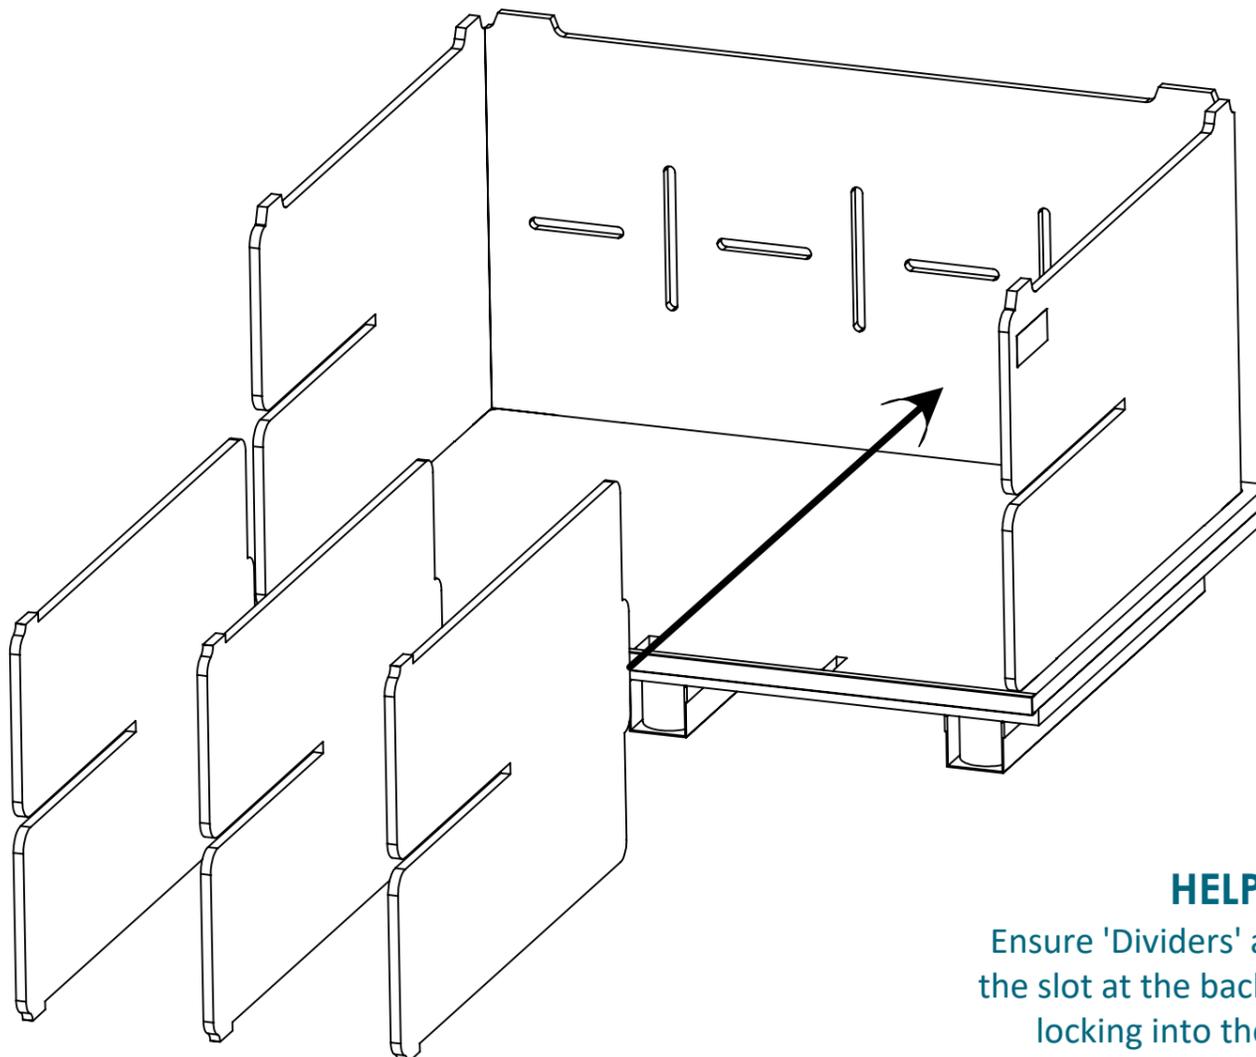

HELPFUL TIPS:

Join the 'Sleeves' together by lining up both halves at the 'Jigsaw' joint, and gently pressing down. Apply this method to all 'Sleeves' before starting step 2

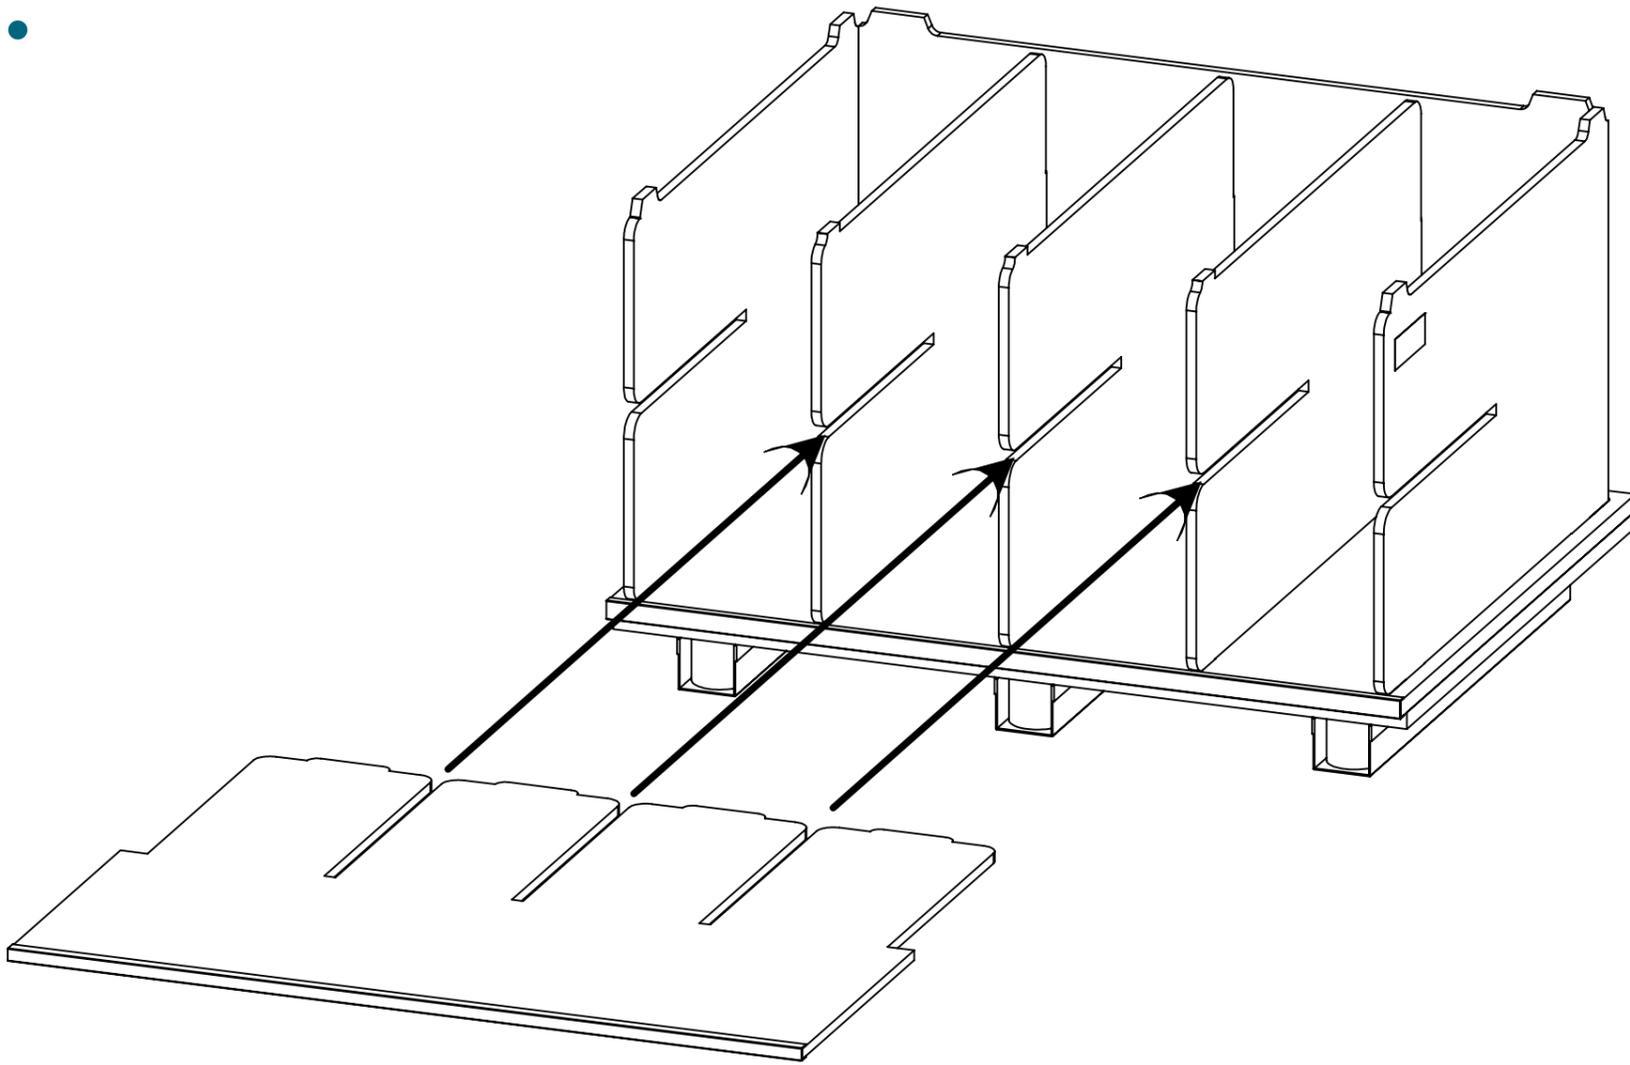

3.

HELPFUL TIPS:

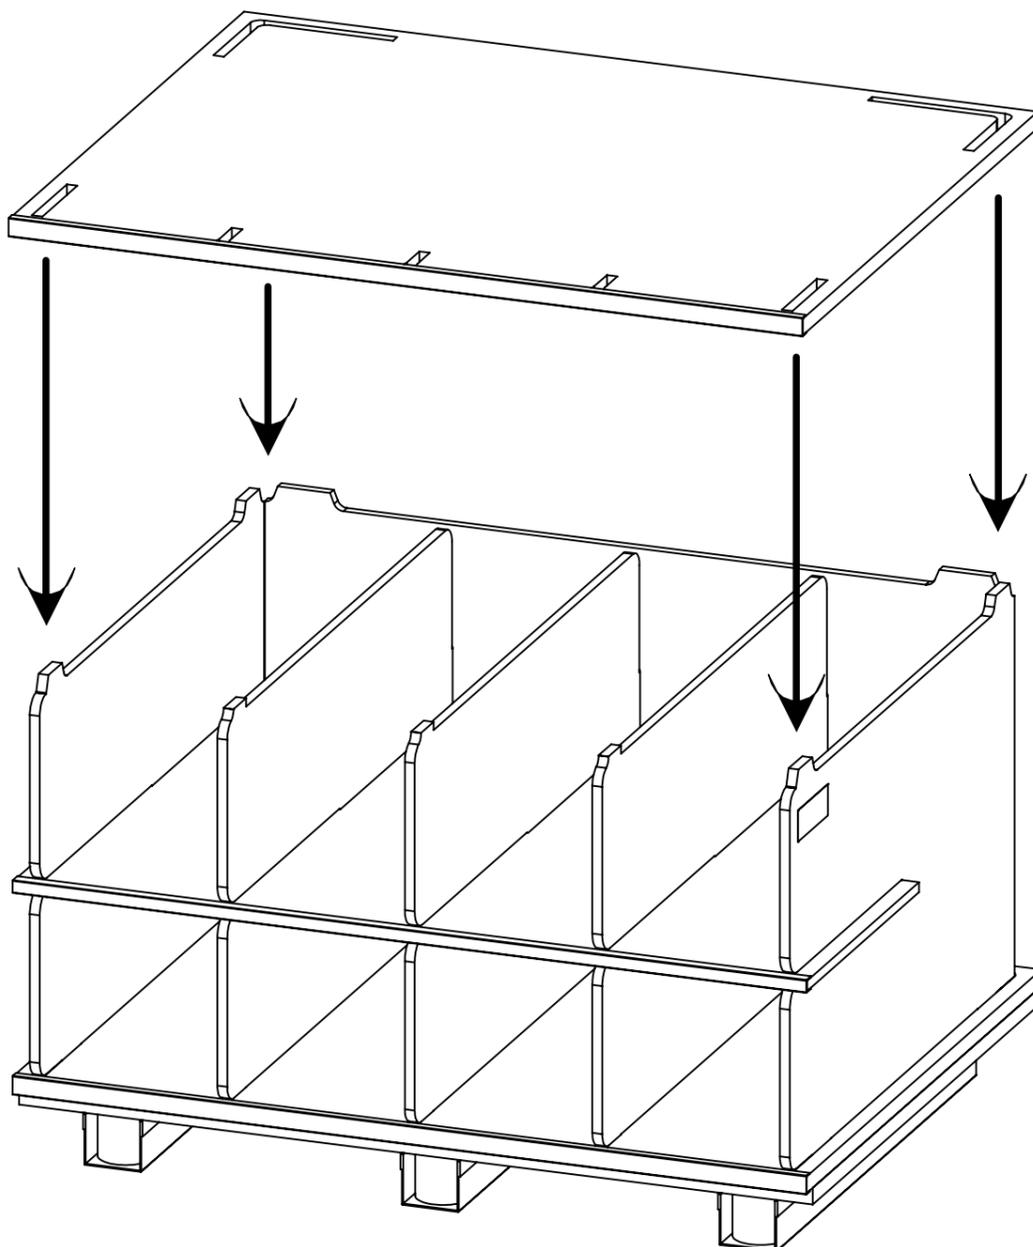

Ensure 'Dividers' are fully located within the slot at the back of the 'Sleeve', before locking into the slots on the 'Base'

4.

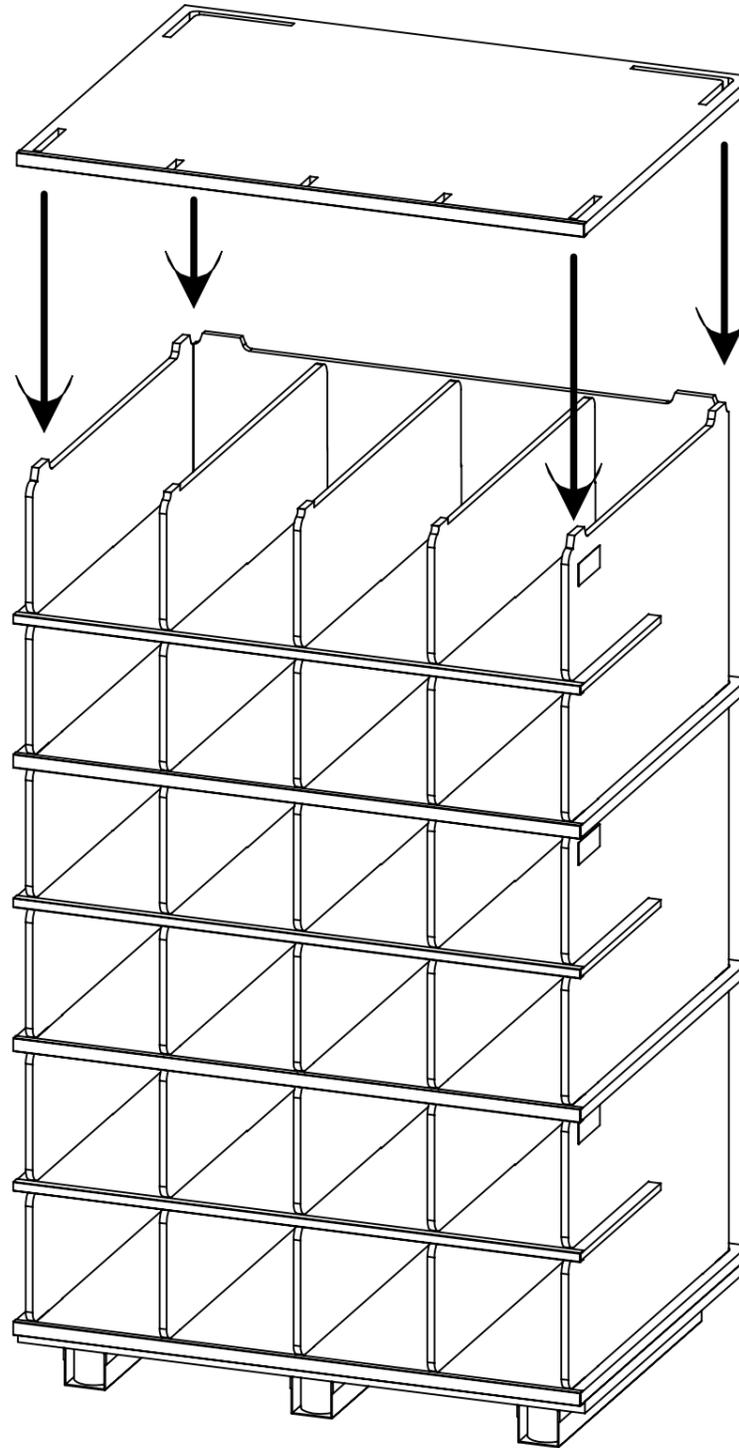

Only applies if unit contains 'Intermediate Horizontal Shelf'

5.

6.

HELPFUL TIPS:

When placing the 'Sleeve' tabs into the structure, ensure the tabs from the one underneath and the one being placed on top do not clash. If they do, flip the wall upside down and reinsert.

Repeat steps 2, 3, 4 (if required) and 5 until all 'Horizontal Shelves', 'Sleeves', 'Dividers' and 'Intermediate Horizontal Shelves' (if required), have been assembled
